A black and white photograph of a church interior. The view is from the back of the nave looking towards the altar. The ceiling is a high, vaulted arch with decorative leaf patterns along the ribs. A large crucifix is mounted on the wall above the altar. The altar area is flanked by two arched doorways. The floor is made of wooden planks arranged in a herringbone pattern. Rows of wooden pews are visible on either side of the central aisle.

Foreword

2012 is Olympic year and we will hear much about everything to do with the preparation, presentation and celebration of the Games over the year in every form of media from TV to Twitter. In the Diocese, the Vicariate for Evangelisation has taken advantage of the Games being held in the UK to use the occasion as a focus for prayer and becoming more aware of the world wide family of the Church. We have involved every school and college within the Diocese in a "Relay of Prayer" where we carry a Prayer Torch from school to school as a sign of our prayer for each individual country taking part in the Olympic Games. Each school has adopted a country to discover all about its geography, its people, its culture and its religious history- and especially to pray for God's blessing on the countries. It is hoped that when the local schools in your particular part of the Diocese are carrying the Prayer Torch that the parents and parishioners will turn out and support the Prayer Rally. I hope that this initiative will catch the imagination, and if the enthusiasm of the children in the cover picture are anything to go by, then we will be in good form to move, after the Olympics, into the Year of Faith called by Pope Benedict to take us from October through to November 2013. The Prayer Rally of 2012 follows the Year of Catholic Education, and should help us be more aware of our responsibility of passing on the faith to the next generations. If we can help our young people to be enthusiastic for the things of God then they will do great things during their lives: maybe not win Olympic medals, but certainly they will have run a great life-race, as described by St Paul, and won the prize of a place in heaven.

My thanks to all those involved in preparing this edition of the Almanac which gives us a good pen picture of the people and works of the Diocese: shows our religious heritage as the People of God in Salford Diocese: may He bless us all!

Masses: Sunday 11.30am (in St Patrick's Church Livesey Street Collyhurst) and 3pm in one of the outlying deaneries in the Salford Diocese (see www.cda-uk.com for details)

The easy way to look good in print

Of course you want to look good in print, but as you're probably not a printer that's a bit like car maintenance without a mechanic, or doing a dinner party without Delia.

The trick is to do what you do best and entrust your work to a creative company with the latest design, printing and finishing all under one roof. But, if you think contemporary quality means a designer price tag, that's where we shine.

Whether it's digital or litho, short or long run, our art is to give your printing the personality and polish it deserves, on time, on trend and right on the money.

APOSTLESHIP OF THE SEA

The Apostleship of the Sea (AoS) is the official maritime and welfare mission agency of the Catholic Church in Great Britain, as well as a registered charity wholly reliant on voluntary contributions. Ninety percent of world trade is carried by ship; however seafarers often work in dangerous conditions suffering loneliness, deprivation and even exploitation. AoS deploys chaplains and ship visitors who welcome vulnerable merchant seafarers to our shores and provides for their pastoral and practical needs – regardless of creed or nationality. Catholic seafarers are also given the opportunity to receive the sacraments. AoS also provides chaplains on board cruise ships, works to maintain ecumenical seafarers' centres inside ports, and collaborates with industry bodies to speak up for seafarers' rights. AoS relies on a network of valued parish contacts and volunteers to sustain its development.

CARMELITE SPIRITUALITY GROUP (MANCHESTER)

Carmelite spirituality offers all people – laity, clergy and religious – the opportunity of deepening their relationship with Jesus Christ within one of the most ancient and loved traditions of the Roman Catholic Church. The Carmelite Family originated in the Middle Ages on Mount Carmel in the Holy Land, and today its spirituality is lived by friars, enclosed nuns, active sisters, hermits and lay people throughout the world. Carmelites form praying communities at the service of all God's people, drawing inspiration from the Old Testament prophet Elijah, the Blessed Virgin Mary, our *Rule of Saint Albert*, and the saints of Carmel (such as Simon Stock, Teresa of Avila, John of the Cross and Thérèse of Lisieux). We seek to be contemplatives, most of us active in the world, inspired by the Bible and attentive to the signs of the times.

A Carmelite Spirituality Group meets in Manchester (at the Universities' Catholic Chaplaincy, 335-9 Oxford Road) on a monthly basis for friendship, prayer, service of the local community, and spiritual formation in the Carmelite tradition. Though rooted in the Catholic tradition, we welcome any enquirer regardless of denomination, age, gender, or way of life. For our programme of events (including talks, retreats, pilgrimages, and social projects) please visit our website: www.carmelite.org/manchester. For further information please contact the convening team c/o Mr. John Berry, 70 Unett Street, Hockley, Birmingham, B19 3BL, Tel. 07910 434677, E-mail manchester@laycarmel.org

MARIST WAY

The Marist Way is the lay branch of the Marist Congregation, bringing together people who wish to participate in the life and mission of the Church in the 'Spirit of Mary' - a way envisaged by Jean-Claude Colin, founder of the Marists - Priests, Sisters, Brothers and Laity. Marists endeavour to think, feel, judge and act as Mary did, at Nazareth and at Pentecost. All Marists believe that Mary maintains a special interest in bringing the women and men of our time into contact with her Son, Jesus. They feel called to share in this concern of Mary's and to become part of her family to work on her behalf. The term 'the work of Mary' describes this essentially missionary spirit. Marists adopt a 'low profile' approach, always having a great respect for others. Being "hidden and unknown" in the world is the Marist way - being personally unnoticed whilst doing great good for others.

Just One World

Fifty years ago we began our journey together working to eliminate poverty and injustice.

And together we are helping to save lives and support our brothers and sisters around the world to make a living.

But in developing countries, 884 million people don't have access to safe drinking water and one in every ten children dies before their fifth birthday.

The need is greater than our resources can meet.

That's why your hope, compassion and solidarity are more vital than ever as we go forward together to build a world that truly reflects the

God.
